

AMITA

Filtri di aspirazione con manicotto in PA / Suction screens with PA coupling

Modello / Model
AMITA

Materiale / Material
Aisi 304

DN
8 – 100

Caratteristiche tecniche / Construction features

- **Connessione filettata gas maschio secondo** / Threaded end gas male UNI ISO 228/1
- **Grado di filtrazione** / Filtration
1000 μ fino a/ up to 2"
1200 μ da/from 2"1/2
- **Temperatura d'esercizio** / Working temperature
max 90°

Componenti e materiali / Components and materials

Rete / Acciaio Inox
Net-filter Aisi 304 / SS Aisi 304

Raccordo maschio / PA (nylon)
Male coupling

Dimensioni e pesi / Dimensions and weights
