

# FL3T-MF-0 - series

ORFS T screwed connections with union nut

| Reference       | Material | Surface protection | Nominal inner diameter of connection 1 | Nominal outer diameter of connection 2 and 3 | Max pressure (bar) |
|-----------------|----------|--------------------|--|--|--------------------|
| FL3T-MF-EZ-009U | Steel    | Zinc plated        | UNF 9/16inch-18                        | UNF 9/16inch-18                              | 630                |
| FL3T-MF-EZ-011U | Steel    | Zinc plated        | UN 11/16inch-16                        | UN 11/16inch-16                              | 630                |
| FL3T-MF-EZ-013U | Steel    | Zinc plated        | UN 13/16inch-16                        | UN 13/16inch-16                              | 630                |
| FL3T-MF-EZ-100U | Steel    | Zinc plated        | UNS 1inch-14                           | UNS 1inch-14                                 | 400                |
| FL3T-MF-EZ-103U | Steel    | Zinc plated        | UN 1-3/16inch-12                       | UN 1-3/16inch-12                             | 400                |
| FL3T-MF-EZ-107U | Steel    | Zinc plated        | UN 1-7/16inch-12                       | UN 1-7/16inch-12                             | 400                |
| FL3T-MF-EZ-111U | Steel    | Zinc plated        | UN 1-11/16inch-12                      | UN 1-11/16inch-12                            | 250                |
| FL3T-MF-EZ-200U | Steel    | Zinc plated        | UN 2inch-12                            | UN 2inch-12                                  | 250                |
