

SPN203N

SPD 1P+N pluggable 3kA class 3 with end of life indicator

Technical characteristics

Architecture

Type of pole1P+N

Controls and indicators

Indicator lampend of life indicator

Connectivity

With remote signalling contactcatalog.pageproduct.attribute_boolean.no

Main electrical features

Rated operational voltage Ue230 V

Frequency50/60 Hz

Electric current

Max discharge (Imax) L-N(PEN)/ N-PE5 kA

Capacity

Number of modules1

Standards

European directive WEEEconcerned
